

CLIENT ELIGIBILITY CRITERIA FOR SAFE PARKING PROGRAM

The target population is families and individuals living in their vehicle.

Applicants must meet the following for temporary parking space:

1. Applicant must be clean and sober a minimum of 24 hours prior to registering for program. We have a zero tolerance for alcohol, drugs and/or violence.
2. All clients will complete long-term transitional shelter program application as applicable.
 - Participants must be willing to and agree to moving from their vehicle to more stable housing (permanent or transitional)
 - If participant does not seek permanent shelter, they will not be allowed to stay on the parking lot
3. All participants will be required to complete an intake/assessment to assist family advocates with the determination of benefits.
4. Families and individuals must agree to participate in developing and following a transition plan with the family advocates.
5. Applicants must be willing to work towards transition.
6. Participants must be willing to follow Parking Lot rules and will sign acknowledgement of these rules and their responsibilities towards the program.
7. Proof of relationship must be provided for all minors.
8. Participants cannot have a criminal conviction of a violent crime, sex offence or crime against a child.
